Courtship in Crisis Thomas Umstatt Jr.

The Experiment Failed

In the 1990s, a huge movement swept through America. Millions of young people stopped dating and embraced something new called “courtship” which promised to usher singles into marriage while avoiding the dangers of dating. It sounded wonderful.

The problem? It didn’t work.

The resulting singleness epidemic left a generation with broken hearts and little hope.

There’s Another Way

In *Courtship In Crisis*, Thomas Umstatt Jr. explains where the courtship crisis came from, and why it failed. More importantly, he lays out an alternative model that works.

"Courtship in Crisis is a well-reasoned, Spirit-infused breath of fresh air for anyone wanting to re-think their dating habits."

-- Mary DeMuth, author of *The Wall Around Your Heart*
