## **Immigration Practice 2003** Robert C. Divine

Immigration Practice covers all aspects of immigration law in one volume, complete with over 3,000 footnote citations to the wide range of statutes, regulations, court and administrative cases, policy memos, operations instructions, agency interpretive letters, and internet sites that a lawyer needs for complete understanding of a particular problem. No other source merges the practical with commentary and analysis so helpfully.

Explains in understandable language and meaningful and dependable detail the substantive issues and the practical procedures a lawyer needs to handle a specific immigration matter, complete with checklists of forms, documents and types of evidence needed for application/petition packages.

Liberally cross references to other sections in the book where related topics are discussed (because so many topics are interrelated).

Provides line-by-line instructions on how to complete the most commonly used forms to avoid embarrassing mistakes.

Contains comprehensive charts of detailed contact information for the officials in the many government agencies administering immigration laws, some of which are not available anywhere else, including INS' reorganized regional and district offices, Immigration Courts, consulates throughout the world (with country-unique rules), labor department regional offices, state employment and prevailing wage specialists, suppliers of country conditions information for asylum claims, au pair programs, and more; (such as Internet sites, and au pair agencies)

Organizes explanations of potentially applicable visa options according to the attributes of the alien (and the employer), rather than the classifications in alphabetical order, so that practitioners can make sense of options in light of the client in the office.

Compares and charts attributes and procedures of such topics as nonimmigrant visa classifications, procedures to permanent residence, and standards of "extreme" hardship.

Cites the most useful Internet site URLs with explanation of the increasingly helpful free databases and tools available through each one. · Is edited and completely updated each year with the latest developments in all areas of immigration law.

## New in Immigration Practice 2003 Edition

- Completely overhauled, comprehensive set of links to specific excellent government web sites containing contact information, forms, primary law sources of all types, case status information, and processing and substantive guides—all referenced by pinpoint citations in the text. See Chapter 5 explaining sources of law, Appendix B and C-1 showing web links, and the CD ROM in the back cover providing one-click access!
- Chart showing each country's special immigration characteristics, including Visa Waiver eligibility, transit without visa ineligibility, Hague adoption participation, expatriation upon U.S. naturalization, security advisory opinions, state sponsors of terrorism, special registration, 6 month automatic passport validity, lottery eligibility, trader and investor treaties, temporary protected status, other unique opportunities

(HRIFA, etc.), U.S. consular locations, and consular email addresses. See Appendix B-6 and the CD ROM in the back cover.

- Complete revision of "INS" references to DHS, BCIS, etc., throughout the book, plus descriptions of reorganized agencies and transition regulations. See Chapter 2.
- Substantial re-writing of chapter on students and exchange visitors to account for "SEVIS" system regulations and practices. See Chapter 18.
- NSEERS "special registration" and its lasting effects. See Chapters 7 and 10.
- BIA "streamlining" of appeals and strategies to avoid its effects. See Chapter 11.
- Revised State Department processing fees. See Chapters 1, 2, 7, and 8.
- Effects of new security clearances upon visa issuance and BCIS benefits. See Chapters 2, 7 and 8.
