Jim Reaper 1: Son of Grim Rachel Delahaye

You might have heard how the universe began with the Big Bang?

Well, the universe as Jim Wimple knows it is about to end. With a *Bazoom!*

Not only are *Bazoom!* scooters super fast and deadly cool, but fierce (and swoonsome) older girl Fiona has just started riding hers to and from school, and possibly out of Jim's life forever. Disaster! Jim Wimple needs a *Bazoom!*, and fast. So he and his best friend Will devise a clever scheme, which involves having to sneak into Dad's workplace. But when the boys break into the Mallet & Mullet 'accountancy' office they find that the walls are lined with ancient portraits, the staff are highly secretive, and Jim's dad's office bears the sign 'G Reaper'. . . And then all hell really breaks loose.

What would YOU do if you thought your dad might be . . . Death?!

Illustrated with cool art by HAMISH artist Jamie Littler.
