Being a human in a werewolf pack is not easy...

Being the human mate of the alpha though is even harder.
But this is my life, and if I pretend hard enough that I'm making it,
I almost believe myself.

When I married Argos I knew that he was a werewolf, and I knew
he was a recovering alcoholic.

People do crazy things for love.

It was only when he lost control again that I really started to wonder if
I'd made a mistake, if I'd only set myself up for disappointment by
believing that he could change...
