This book is an essential resource in helping your children develop healthy, godly attitudes toward sexuality in an age when sex is a marketing tool for everything from clothing to toothpaste. Gleaning from interviews with various youth culture authorities, movie reviewers, youth pastors from across the nation, and teens themselves, the authors have created an informative book to educate and help you guide your children through today's maze of sexual confusion. This book is peppered with statistics, teen language and context, and facts about the media's promotion of sexual freedom that destroys the sanctity that makes marital sex a special gift from God.
