## **Snitch World (Green Arcade)** Jim Nisbet

In the new novel from noir master Jim Nisbet, the *Snitch World* in question is actually made up of different worlds both old and new, populated with the old-time petty criminals, like Chainbang and Klinger, but also with the modern, including a nouveau femme fatale whose tools of the criminal trade are from the new economy. *Snitch World* takes place in a San Francisco of menacing technology, where the old cons come up short and the crimes of the night turn into crimes done in the light of modern day—all from the glow of a smartphone. Klinger hangs out at the Hawse Hole Bar and Grille, a pretty bad dive where all he really wants is enough to have a cup of coffee, buy some cigarettes, make it through the day, and find a warm, dry place to sleep; all things that can be accomplished by the next easy grift. Little does Klinger know that the rules of the game have changed, and the stakes are higher than he could ever guess or care about. The seemingly simple act of rolling a drunk begins a series of events that get stranger and more complicated by the moment. Jim Nisbet, with his characteristic humor and brilliant prose, creates a world where to trust is to possibly sacrifice all. *Snitch World* includes a recent interview with Jim Nisbet, in conversation with Patrick Marks, owner of the Green Arcade, talking about writing, publishing, and technology.
