Come and Take Them (Carerra) Tom Kratman

#5 in the popular Carerra military science fiction series that started with *A Desert Called Peace*. Military leader Carerra faces down a threat from totalitarians and wins the freedom of his country on a frontier planet.

Carerra. Relentless. Machiavellian. Without compunction. Victorious. Pity his enemies. Be thankful he is on the side of freedom from totalitarian domination.

On the colony planet of Terra Nova, soldier turned political leader Carerra has achieved his revenge, destroying those who killed his wife and children in a terrorist strike, and helping to establish a free country. But Carrera's fight is not over.

War with the Tauran Union is inevitable. Carerra has been preparing his new country for this all-out conflict for years, intending to drive out the last vestige of foreign imperialism in Balboa, the Tauran Union Security Force. He doesn't care that he's outnumbered one hundred to one. He doesn't care that the Taurans are one thousand times wealthier. A true Machiavellian, Carrera is convinced that gold cannot always find good soldiers, but that good soldiers can always find gold. After all, his good soldiers have already found quite a bit. Moreover, he's been preparing for the war he intends to start and fight on his own terms, while the TU has been preparing for a progressive fantasy.
