He stole her lipstick ... and her heart.

Twenty-year-old Dani Walker can't believe her luck when she's paired up with the gorgeous Liam Garrett as her Acting I scene partner – or when he ends up in her bed. Being a Plain Jane with a mouth on her hasn't exactly served Dani well in the guy department. In fact, she's had nothing but one night stands. Still, she lets go of her insecurities and falls for Liam, despite feeling like he's holding something back.

When Dani finally discovers Liam's secret, she must learn the true meaning of accepting the ones we love for who they are, or risk losing the best thing that's ever happened to her.
