Love: A Novel Toni Morrison

Nobel Prize laureate Toni Morrison's spellbinding new novel is a Faulknerian symphony of passion and hatred, power and perversity, color and class that spans three generations of black women in a fading beach town.

In life, Bill Cosey enjoyed the affections of many women, who would do almost anything to gain his favor. In death his hold on them may be even stronger. Wife, daughter, granddaughter, employee, mistress: As Morrison's protagonists stake their furious claim on Cosey's memory and estate, using everything from intrigue to outright violence, she creates a work that is shrewd, funny, erotic, and heartwrenching.
