Signs of Life is Natalie Taylor's story. It starts the day her husband dies and ends sixteen months later on her son's first birthday. Natalie's journey from wife to widow to mother is heartbreaking, blackly funny and will move you to laughter and tears as she makes it across that finish line. And you have no doubt she will make it because Natalie is a warrior and a woman to cheer for. Intelligent, witty and moving, this is the very best kind of indie movie in a book. A book to delight, to treasure and to press into the hands of your best friend.
