## **Visions in Death** J. D. Robb

A brand-new novel in the number-one *New York Times*-bestselling *In Death* series set in 2059 New York City. As technology and humanity collide, Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls...

On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park-and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes-removed with such precision, as if done with the careful hands of a surgeon-that have Dallas most alarmed.

As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another-each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare. . . .
