What would you do for your Freedom?

Would you steal?

Kill?

Die?

For Edward Thatch, there is no questioning the depths he will go for his Freedom.

Edward didn't know he bought a former pirate ship, and when the marine captain Isaac Smith threatened to take his ship, and Freedom, away Edward took matters into his own hands.

Edward's action sends him, and his best friend Henry Morgan, running from the law on an adventure across the historical Caribbean & Latin America. The two will have to fight not only to stay alive, but to stay free during the so-called "Golden Age" of piracy.

Edward also finds that half the ship he bought is locked, and the previous owner left clues to find the keys. Edward and his crew must follow the clues and face games of life and death before they can claim said keys.

Will Edward and Henry embrace the life that's been thrust upon them, or will they crash against the rocks of their misfortune? See how the pirate Blackbeard came to be the scourge of the Caribbean Sea and beyond, and follow him on his fantasy adventures full of pirates, privateers, and everything in between in The Voyages of Queen Anne's Revenge!
