The Greatest Hoax on Earth? Refuting Dawkins on evolution Jonathan Sarfati

Richard Dawkins, the undisputed high priest of evolution/atheism, says his book *The Greatest Show on Earth: the evidence for evolution is the first time he has presented all the evidence for evolution/long ages*. It is promoted as an unanswerable demolition of creation. Scientist, logician, chessmaster and author of the world's biggest-selling creationist book, CMI's Dr Jonathan Sarfati, relentlessly demolishes Dawkin's claims point-by-point, showing biblical creation makes more sense of the evidence. A must-read—and a must-give (to all evolutionist acquaintances)! (High School–Adult) 336 pages.
