*What happens when three irresistibly sexy brothers lose a poker bet to their enterprising sister? They get hired out for her housecleaning venture. Now, the Manley Maids are at your service. Satisfaction guaranteed. It's what a woman wants...*

Resort entrepreneur Sean Manley was all set to buy an historic mansion at a great price, making a name for himself while making millions, when the seller and a poker bet change the game. Now he's in the place as a hunky male maid and there's one more complication: Livvy Carolla.

The house is Livvy's inheritance. Her plan? Unload it to the highest bidder and use the cash to start her own bakery business. One look at "the help" and she's hot to take him with her. Until she finds out he's got a secret agenda.

But when Sean falls for the free-spirited, strong-willed Livvy, he has new ideas for the estate—and Livvy's part in it. If all goes well, they'll both be getting what they want. And then some.
