**Your Best Child Ever: Is This Game Worth Winning? How to Raise a Stable Centered Respectful Self-Disciplined Confident Self-Motivated Self-Directed ... Coaches of Children of All Ages! (Volume 1)** Jeremy Roadruck

Imagine your children coming to you, looking for ways to contribute to household chores, being more helpful and respectful to each other, and being responsible - all with minimal input or guidance from you!

Based on more than 17 years of working with children and families without the use of negative reinforcement, Jeremy's expert advice will give you the tips, tools, tactics and strategies to improve your relationship with your child, your parents, and even yourself!

Kung Fu Master Jeremy Roadruck's information has a proven track record of success in improving happiness, health, safety, communication, understanding boundaries, and unlocking motivation in even the toughest of kids!

Here's what some parents are saying about it: *"He shares with us the HOW of playing the game to win in raising happy, healthy, wise, wealthy, and safe children."* - Joe High

*"I've attended numerous seminars and read many books. I've always felt that if I could get just one useful idea or strategy that I could use to move closer to my goals, then I got my money's worth. This book greatly exceeded my expectations and left me with AT LEAST 8-10 strategies (I didn't have before) that I can (and will) execute to make my relationship with my family even more rewarding than it already is."* - Mason Duchatschek

If you're tired of feeling stressed when dealing with your children (or your own parents), then this is the book for you.

In this book, Sifu Jeremy breaks down over 37,000 hours of working with families and kids (of all ages) into a series of games that can be easily understood and mastered:

- **Part 1: Leveling the Playing Field**

- Second Part of Part One: The Power of a TEAM
