**Ice Cream** H Douglas Goff, Richard W Hartel

*Ice Cream*, 7th Edition focuses on the science and technology of frozen dessert production and quality. It explores the entire scope of the ice cream and frozen dessert industry, from the chemical, physical, engineering and biological principles of the production process to the distribution of the finished product. It is intended for industry personnel from large to small scale processors and suppliers to the industry and for teachers and students in dairy or food science or related disciplines. While it is technical in scope, it also covers much practical knowledge useful to anyone with an interest in frozen dessert production. World-wide production and consumption data, global regulations and, as appropriate, both SI and US units are provided, so as to ensure its relevance to the global frozen dessert industry.

This edition has been completely revised from the previous edition, updating technical information on ingredients and equipment and providing the latest research results. Two new chapters on ice cream structure and shelf-life have been added, and much material has been rearranged to improve its presentation. Outstanding in its breadth, depth and coherence, *Ice Cream*, 7th Edition continues its long tradition as the definitive and authoritative resource for ice cream and frozen dessert producers.

### From reader reviews:

#### **Ernest Villa:**

This Ice Cream book is just not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book will be information inside this guide incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This specific Ice Cream without we recognize teach the one who reading through it become critical in considering and analyzing. Don't always be worry Ice Cream can bring if you are and not make your handbag space or bookshelves' become full because you can have it in your lovely laptop even telephone. This Ice Cream having good arrangement in word as well as layout, so you will not feel uninterested in reading.

#### **William Chapman:**

The experience that you get from Ice Cream could be the more deep you rooting the information that hide into the words the more you get thinking about reading it. It does not mean that this book is hard to know but Ice Cream giving you enjoyment feeling of reading. The author conveys their point in specific way that can be understood by anyone who read this because the author of this guide is well-known enough. This particular book also makes your vocabulary increase well. It is therefore easy to understand then can go together with you, both in printed or e-book style are available. We advise you for having this specific Ice Cream instantly.

#### **Rosalie Dietrich:**

Information is provisions for individuals to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even an issue. What people must be consider whenever those information which is within the former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one the resource are convinced. If you find the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Ice Cream as your daily resource information.

#### **Jean McCallum:**

Why? Because this Ice Cream is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book adjacent to it was fantastic author who else write the book in such amazing way makes the content inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your talent and your critical thinking means. So , still want to hold off having that book? If I have been you I will go to the book store hurriedly.
