Nearly 140 Legal Research and Writing programs already rely on the **Interactive Citation Workbook (ICW)** to provide a self-paced, pedagogically sound, and mentally stimulating way for students to learn citation. Available in both **Bluebook** and **ALWD** versions, the annually revised **ICW** uses a building-block approach to learning citation. Individual chapters include explanatory text with examples, a checklist summary of the text, and a citation exercise for practicing and reinforcing the rules covered in the chapter.

Students can complete a citation exercise either in their ICW Workbook or in the newly updated and enhanced online Workstation, accessible via Lexis Advance. Doing the exercises online provides immediate feedback for both correct and incorrect answers. For incorrect answers, references to the citation rules needed to correct the answer allow students to become familiar with using their citation guide as a reference and further enhance the learning experience.
