Plain Return (The Plain Fame Series) Sarah Price

Amanda Beiler, a young woman raised Amish, is determined to make her marriage to internationally beloved Cuban singer Alejandro Diaz work. Since they spend more time apart than together, she decides to join her superstar husband in the spotlight and accompany him on his South American tour.

Despite their deep love for each other, the pressures of maintaining Alejandro's fame and the media's constant hounding begin to take a toll on the young couple. When someone from his past makes a startling appearance during the tour, Amanda is forced to face not only the complexities of his hedonistic past—and the unexpected responsibilities that accompany it—but also her own desire to return to a simple life rooted in devotion to family and God. As Amanda's needs start to conflict with Alejandro's obligations, the couple must decide if their love is strong enough to save their new marriage.
