No woman dared to love him...

England, 1819. The Earl of Amhurst has returned to his estate in search of a wife and, more importantly, an heir. Simon Devere isn't interested in some comely, simpering creature. A beautiful woman only brings heartbreak and ruin, and Simon's disfigured visage is proof enough of that. No, he wants a wife who is unattractive and undesirable-and the homelier, the better.

But nothing about Lady Henrietta Beauchamp is homely. She is lovely and sweet... and struggles to mix with polite society when she would so much rather have plants for company. And yet Simon is her only hope for keeping Plumburn Castle in her family's possession. Even if it means marrying a man she doesn't love.

It's an impossible and unlikely match... unless this awkward beauty can bring hope back into a solitary beast's life.

Stephen Comerford:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Earl's New Bride can make you feel more interested to read.
