The Masked Saint: Husband, Pastor, Hero Chris Whaley

The Masked Saint revolves around the life of Chris Samuel, a professional wrestler and family man who realizes he needs something more. His calling to become a pastor prompts him to retire from wrestling and move with his wife and daughter to a small town. Yet the battles he faced in the ring are minor compared to the challenges he must overcome at his new church. From an overbearing congregant and failing attendance to mounting bills for church repairs, Chris has his hands full.

Chris finds an ally in Miss Edna, an elderly woman from his church, who gives him sage advice and shares her wisdom in a book of writings. Unbeknownst to him, she is also a wrestling fan and encourages him to use his talents to take action, tricking him into reconnecting with his old colleagues—including a shady wrestling promoter. When Chris stumbles onto a fight on the seedy side of town, his wrestling skills take down the assailant and a masked vigilante is born.

In order to raise some funds, Chris returns to the ring professionally, and things begin to seemingly improve for the church. His life as a pastor and wrestler soon take up most of his time though—not to mention Samuels' shrouded crime-fighter is now being sought by the police. His talent, as well as his violent secret identity, begins to overshadow his calling as a Pastor, and it takes his faith, family and Miss Edna to remind him about grace, goodness and the truth.
