Around the world, people are getting increasingly disillusioned with born again Christians. The person and character of Jesus Christ is increasingly becoming rare among believers, and this is causing the title "Born again Christian" to be a source of contempt, ridicule and even resistance. For this reason, there is a need to address aspects of life that define a complete person in Christ. This book encompasses most of what one needs in order to have a complete, admirable and healthy Christian walk. This book will greatly help you establish a good balance in your Christian life. From this book, you will learn that being "Christ like" is not a revolution but a transformation that requires a daily intake of a soul transforming diet. The many different topics become chapters, making it a complete study guide for both the young believer and also for the grounded Christian who needs to be reminded of the basics that build one in Christ. About the Author: Andrew Ndambuki is a new, upcoming writer from Nairobi, Kenya. He is married with three children and was born again in 1987. Andrew has been actively involved in the field of business within the corporate circles and also in Church Ministry. He has written a poetry book entitled African Fields of Green published in 2011.
