STRIPPED DOWN: A Naked Memoir is a look back at a surreal world kept carefully hidden from public view. This chronicle of life in the skin trade follows the meteoric rise of Stacey Keith, a girl scarcely out of her teens whose eye-popping assets launch her from wet T-shirt contests to the catwalks of Houston, strip bar capital of the world. Almost overnight, she is discovered by a famous porn star, who Svengalis her onto the pages of Playboy, Penthouse, and dozens of other men's magazines. While strutting her stuff onstage and across the country, Stacey makes the fateful decision to head to Hollywood. She's got everything a girl could want: fame, attention, endless piles of cash...but no idea what awaits her. With Internet porn overtaking men's magazines, everyone from her Mafia-boss road manager to her smarmy talent agent pressures Stacey to do more than just flash her flesh. Uber-boob filmmaker Russ Meyer verbally abuses her; rocker Don Henley tries to use her. Yet through it all, from the warped misogyny of Playboy to the S&M dungeons of the Pacific Palisades, Stacey's dark, self-deprecating humor will leave you laughing, crying and rooting for her at every step of the way.
