The NoMad Cookbook Daniel Humm, Will Guidara, Leo Robitschek

From the authors of the acclaimed cookbooks *Eleven Madison Park* and *I Love New York* comes this uniquely packaged cookbook, featuring recipes from the wildly popular restaurant and, as an added surprise, a hidden back panel that opens to reveal a separate cocktail book.

Chef Daniel Humm and his business partner Will Guidara are the proprietors of two of New York's most beloved and pioneering restaurants: Eleven Madison Park and The NoMad. Their team is known not only for its perfectly executed, innovative cooking, but also for creating extraordinary, genre-defying dining experiences. *The NoMad Cookbook* translates the unparalleled and often surprising food and drink of the restaurant into book form. What appears to be a traditional cookbook is in fact two books in one: upon opening, readers discover that the back half contains false pages in which a smaller cocktail recipe book is hidden. The result is a wonderfully unexpected collection of both sweet and savory food recipes *and* cocktail recipes, with the lush photography by Francesco Tonelli and impeccable style for which the authors are known. *The NoMad Cookbook* promises to be a reading experience like no other, and will be the holiday gift of the year for the foodie who has everything.
