When Lalla and her dad take a trip to Arizona to inspect her new property, Dad disappears. Panicked that he's lost in the desert, Lalla enlists the help of a local tracker and finds him unharmed—in the bottom of a mine pit. And he's got company—a very dead local police chief. Oddly, a young artist from a local art colony has also been strangled in her own bed. What're the chances that these two murders are going to be related? Well, if you're Lalla Bains, you don't guess, you start looking for the killer!
