Jesse Livermore's How-To Trade in Stocks Jesse Livermore

Time Magazine described Jesse Livermore as the most fabulous living U.S. stock trader. His progress from office boy to Wall Street legend - his trading lessons - his triumphs and disasters - is probably the most fascinating of any of Wall Street's stories. Even today, many stock and commodity traders owe Jesse Livermore a deep debt of gratitude for sharing his experiences in this book. The techniques he made public have endured through many decades right up to today; his trading rules earned him millions of dollars, provided he stayed faithful to them. Livermore also lost his entire fortune on more than one occasion, when he ignored his own trading rules. Jesse Livermore was a self-made man trading with his own money - not other people's money, like modern investment banks and hedge funds. Depending how you measure it, his fortune peaked between 1.1 and 14.0 billion dollars in today's money.
