Science and Insight: For Science Fiction Writing Roger Bourke White Jr.

Good stories are about people Good science fiction stories are about science and people. So how to you put good science into a story that is about people? That's what this book is about. It's about looking for how science changes peoples' lives, and how to make that change an interesting story about people. This is about making Technofiction-science fiction where science matters as much as characters. Welcome to a Tales of Technofiction book.
