SHTF Survival Box Set (2 in 1)

Book One: Beginning SHTF Prepping: Prepper's Tips to Stockpile Your Pantry for Disaster Survival with Recipes

Be Prepared for the Crises to Come With Your Own Prepper's Survival Pantry

Do You Know Why You Need a Survival Pantry?

Right now you may be thinking, there's no reason to bother with one of those. Only crazy people have a 'survival pantry.' That would be where you're wrong. Do you know how many times our world has been on the brink of destruction? Do you know how many times there have been events that no one could have predicted that may have ended life as we know it? There have been many and there will be many more in the future. In the past the world has resolved the problem for us. In the future, we may not be that lucky. If you want to be safe and prepared when the future comes knocking and everything you know is gone, then you will definitely want to read through this book. It's going to help you decide why you need one of these pantries and how you should stock it to keep yourself and your family prepared.

Inside You Will Learn:

- Why Should You Start a Survival Pantry?
- What Needs to Be in Your Survival Pantry?
- How Much Should You Have for Each Person?
- And Much More

Preparing your family for anything that could come your way is not only one of your responsibilities as a family, it could mean the difference between life and death. Don't let something happen to your family. Make sure that you're prepared no matter what disaster may come your way.

Preppers are ready for anything and that's going to be you. Download this book to find out more.

Book Two: DIY Survival Hacks: Be Prepared for Disaster with DIY Household Techniques to Protect Your Family

Do you worry about the state of the world today? Many people do.

Who could blame them? Geopolitical strife, regime instability, natural disasters, terrorism, ever-rising food prices, and what some consider a steep moral decline are all pretty worrying things. Oftentimes, people feel helpless and hopeless.

You don't have to anymore. In this book, I'm going to show you how to secure the basic resources you'll need in any disaster, natural or manmade. I'm going to give you the knowledge you need to keep safe and healthy in these unfortunate, but unavoidable circumstances.

Inside You Will Learn About:

- The reasons you should start preparing for disaster today
- How to secure the basic resources needed for survival
- Basic emergency medical care
- How to choose a shelter and bunker down
- The common misconceptions about preppers
- And Much, Much More

When you're done with this book, you'll be armed with the knowledge you need to survive hardship or disaster. The steps and information presented herein will be actionable, simple, and straightforward.

Don't wait. Though these lessons may not seem pertinent in our modern and “safe” world, you need only look around you to see how necessary these skills can be. Better to learn and not need the knowledge than to need it and not have it. Pick up this book. You'll be glad you did.
