Tasteless

Ms Evie Maxfield

Tasteless Ms Evie Maxfield

Nestled somewhere between the biting humor of David Sedaris and the heartwarming poignancy of Garrison Keillor lies the sweetly nostalgic and darkly hilarious short stories of Evie Maxfield's "Tasteless." Set against the urban streetscape of The Bronx in the late 1960's, Ms. Maxfield takes us on a unique coming of age journey as she survives a terrifying first kiss, a diabolical kid brother, and a freewheeling hippie mom who considers cooking for her children a "drain on her creative energies." Often gritty, occasionally unnerving, "Tasteless" gives an honest, unflinching look at one suburban girl's attempt to adapt to life in the big city, while navigating the treacherous waters of simply growing up and fitting in. "Tasteless" will keep you turning pages, laughing out loud, and absolutely hungry for more.
