## **Evidence-Based Practice: A Primer for Health Care Professionals, 2e** Martin Dawes MD FRCGP

The book is a comprehensive guide to all the main strands of EBHC - finding and implementing evidence for use in clinical practice. Its focus is health professionals in the primary care field, and it consciously uses case examples from a variety of professional contexts. Examples and questions relevant to primary care practice are featured throughout the text. It discusses principles as well as practice, and provides guidance for teachers.
