Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science)

Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science)

These three volumes (CCIS 442, 443, 444) constitute the proceedings of the 15th International Conference on Information Processing and Management of Uncertainty in Knowledge-Based Systems, IPMU 2014, held in Montpellier, France, July 15-19, 2014. The 180 revised full papers presented together with five invited talks were carefully reviewed and selected from numerous submissions. The papers are organized in topical sections on uncertainty and imprecision on the web of data; decision support and uncertainty management in agri-environment; fuzzy implications; clustering; fuzzy measures and integrals; non-classical logics; data analysis; real-world applications; aggregation; probabilistic networks; recommendation systems and social networks; fuzzy systems; fuzzy logic in boolean framework; management of uncertainty in social networks; from different to same, from imitation to analogy; soft computing and sensory analysis; database systems; fuzzy set theory; measurement and sensory information; aggregation; formal methods for vagueness and uncertainty in a many-valued realm; graduality; preferences; uncertainty management in machine learning; philosophy and history of soft computing; soft computing and sensory analysis; similarity analysis; fuzzy logic, formal concept analysis and rough set; intelligent databases and information systems; theory of evidence; aggregation functions; big data - the role of fuzzy methods; imprecise probabilities: from foundations to applications; multinomial logistic regression on Markov chains for crop rotation modelling; intelligent measurement and control for nonlinear systems.

From reader reviews:

Arnold Williams:

This Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science) book is simply not ordinary book, you have it then the world is in your hands. The benefit you have by reading this book will be information inside this e-book incredible fresh, you will get details which is getting deeper an individual read a lot of information you will get. This Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science) without we know teach the one who looking at it become critical in thinking and analyzing. Don't possibly be worry Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science) can bring whenever you are and not make your carrier space or bookshelves' turn out to be full because you can have it in your lovely laptop even cell phone. This Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science) having very good arrangement in word and layout, so you will not experience uninterested in reading.

Jennifer Galaviz:

As people who live in the actual modest era should be update about what going on or info even knowledge to make these individuals keep up with the era that is certainly always change and progress. Some of you maybe may update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

David Barr:

Reading a publication can be one of a lot of activity that everyone in the world likes. Do you like reading book therefore. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new data. When you read a reserve you will get new information due to the fact book is one of numerous ways to share the information or their idea. Second, reading a book will make you more imaginative. When you reading through a book especially fictional book the author will bring you to imagine the story how the figures do it anything. Third, you can share your knowledge to other people. When you read this Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science), it is possible to tells your family, friends as well as soon about yours reserve. Your knowledge can inspire the others, make them reading a guide.

Irma Patterson:

A lot of reserve has printed but it differs from the others. You can get it by internet on social media. You can choose the very best book for you, science, amusing, novel, or whatever simply by searching from it. It is named of book Information Processing and Management of Uncertainty: 15th International Conference on Information Processing and Management of Uncertainty in ... in Computer and Information Science). You can include your knowledge by it. Without making the printed book, it might add your knowledge and make a person happier to read. It is most critical that, you must aware about e-book. It can bring you from one destination for a other place.
