It's Only A Movie. . .Isn't It? Jason Day

Have you ever watched a movie that was based on a 'true story' and wondered just how true the story really was? In this book British paranormal researcher, investigator, broadcaster and author Jason Day delves into the paranormal movies that make these bold claims. Enlisting the help of paranormal investigators, monster hunters, ufologists, sceptics and mediums Jason compares the movies to the stories they are based upon and then investigates just how true the stories are themselves. With expert opinions from James Randi, Jason Karl, John Zaffis, Phil Whyman and many more professionals in the paranormal field this book sets out to answer the question we have all, at one time or another, asked ourselves after watching films such as The Amityville Horror, The Exorcism Of Emily Rose, Fire In The Sky and The Exorcist: It's Only A Movie. . .Isn't It?
