**Pet Sematary** Stephen King

**AN ADAPTION BY BBC RADIO BASED ON STEPHEN KING'S *PET SEMATARY*  
A Fully-Dramatized Multi-Voice Presentation**

Dr. Louis Creed and his wife Rachel chose rural Maine to settle his family and bring up their children. It was a better place than smog-covered Chicago -- or so he thought. But that was before he became acquainted with the old pet burial ground located in the backwoods of the quiet community of Ludlow.

The place has a power -- it seeps into your dreams and you wake up sweating with fear. It is a place that strikes dread into the lives of all who share its secrets.

A fully dramatized BBC presentatin of one of Stephen King's most famous bestsellers, *PET SEMATARY* is a masterpiece of the macabre and an unforgettable audio experience!
