The City of Falling Angels

John Berendt

The City of Falling Angels John Berendt

Twelve years ago, *Midnight in the Garden of Good and Evil* exploded into a monumental success, residing a record-breaking four years on the *New York Times* bestseller list (longer than any work of fiction or nonfiction had before) and turning John Berendt into a household name. *The City of Falling Angels* is Berendt's first book since *Midnight*, and it immediately reminds one what all the fuss was about. Turning to the magic, mystery, and decadence of Venice, Berendt gradually reveals the truth behind a sensational fire that in 1996 destroyed the historic Fenice opera house. Encountering a rich cast of characters, Berendt tells a tale full of atmosphere and surprise as the stories build, one after the other, ultimately coming together to portray a world as finely drawn as a still-life painting.
