Three Novels of Family, Friends and What Really Matters

Kristin Hannah is one of today's bestselling authors. Her books plumb the depths of friendship, the loyalty of sisters, the secrets mothers keep—the whole complex, meaningful world of important relationships. Here are three of her best, selected and edited by the Reader's Digest.

Distant Shores A married couple is drifting apart, and a terrifying decision is made in an attempt to find a second chance at happiness. An exquisite reminder of the most precious gifts in life: friends and family, children and lovers, the strength to change, and the courage to forgive.

Between Sisters Two women who have been separated for more than two decades come together over the course of a Pacific Northwest summer, to try to become what they never were—a family.

Magic Hour A six-year old girl appears out of nowhere, speechless and alone. A child psychiatrist who has been shaken by a horrible public scandal is determined to reach her, risking everything to discover the truth.
