Waverley (Penguin Classics) Walter Scott

The first historical novel and an international bestseller

Sir Walter Scott was one of the bestselling novelists of the nineteenth century and is credited with establishing the historical novel. His first novel, *Waverley* (1814), tells the story of Edward Waverley, a naïve young man who is posted to Scotland with his regiment. Edward must decide whether he will follow the civilization he has always known, or be drawn into an older world of honor. This edition is based on the authoritative Edinburgh version edited by Peter Garside.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.
