My unique brand of kink has most women dropping their panties.

But not Lola.

Which makes her all the more interesting. You know the old cliché that men love the chase? Hell yeah we do. I want her to fight me. Resist me.

Because when I finally take her, I'll have conquered not only her body, but her mind. And to a Dom like me, there is no better victory.

This is book 2 in the Filthy Dirty Alpha series, continuing the erotic journey of Lola and Burke, and the dark, and troubling secrets he's been hiding.
