Hundreds of "Life's" readers have demanded "We want a Picture Puzzle book!" And here, in a special 192-page collection, that demand is met. There are variations on themes and variations on the game itself, as scores of colour and vintage black-and-white photographs - many from the famous "Time-Life Picture Archives" - are twisted, doctored, and otherwise toyed with, all in the name of fun and entertainment. For the first time, the "Picture Puzzle" is offered in three different degrees of difficulty like the "Ultimate Crossword Book" before it, this book will fly off the shelves - not just in bookstores, but in airports and supermarkets. From the first issue of the new "Life" magazine, "Picture Puzzle" has been a hit, and the same will be true of "Life's Picture Puzzle" from the moment the first copy hits the shelf. x
