In a small southern town, a young child gasped for what seemed to be a breath she may never take. As those around her prayed, suddenly her lungs opened up and a fighter was born again. Cassia Taylor, a heartfelt and intuitive woman takes her readers on a journey that begins with a last breath and continues with her story that breathes life back into those souls who feel suffocated by their experiences and choices. She carries us from tale to tale with the wisdom of an old soul teaching as she learns herself what it takes to both accept the path we have taken and to find the one meant specifically for us. Cassia instructs on how to turn hardship into tools for growth and change and provides the stepping-stones that lead from angst to peace as she points to passages in the Bible and stories with real answers.
