Exemplary DM Podcast

The Exemplary Tome of Gadgets: A handy pocket guide of Dungeon Master Gadgets Exemplary DM Podcast

From the creative loins of the voices behind the Exemplary DM podcast (exemplarydm.com) comes a 50-page pocket handbook of Adventure Hooks, Encounter Ideas, and Character Concepts for tabletop role playing games that you can bring to your table, tonight! Each gadget comes with follow-up text on how this knowledge has been applied to real-life campaigns, giving you both conceptual and applied knowledge of the concept, as well as a surface large enough to act as a coaster for two (2) cold drinks! Bargain priced and indexed for quick reference, this gift is a perfect stocking stuffer for the aspiring or experienced Dungeon Master in your life. The plot twists, encounter ideas and NPC/PCs concepts inside are system-agnostic for easy adoption into any game system. Our 6"x9" pocket-sized reference book, with table of context and keyword index, is perfectly proportioned for:

hiding behind your DM screen

fanning the flames of creativity

literally fanning real flames

soaking up your player's tears

soaking up your own tears

stopping bullets!*

holding pastries

wrapping fresh fish

scooping up dead insects

protecting your precious wooden table from condensation

softening the thunderous impacts of your critical hit rolls

recycling into cookbooks

padding uncomfortable seating surfaces

gifting to a player in your campaign when you've used every gadget and watching in horror as they realize every plot twist came from a book!

*Will not stop bullets. Published November 2014. 50 pages. While the ExemplaryDM podcast is definitely Not Safe For Kids to listen to (as we say in the intro of every episode), the book is family-friendly.
