From the bestselling author of Savages (now an Oliver Stone film).

Once better known as Frankie Machine, he was a brutally efficient killer. Now someone from his past wants him dead, and after a botched attempt on his life, Frankie sets out to find his potential killers. However, the list of suspects is longer than the California coastline. With the mob on his heels and the cops on his tail, Frankie hatches a plan to protect his family, save his life, and escape the mob forever. Then things get really complicated.
