Mystery, suspense and romance flourish against a backdrop of Civil War turmoil and ancestral strife--where immortality infiltrates the ancient air breathed by all who inhabit Overhome Estate. Ashby Overton has everything to look forward to, including a promising writing career and her wedding at summer's end. But, Overhome, her beloved historic family estate in Southern Virginia, is in financial peril and it is up to Ashby to find a solution. Interfering with Ashby's plans is a dark paranormal force that thwarts her every effort to save Overhome. Supernatural attacks emanate from an old stone cottage on the property rumored to be a slave overseer's abode, prior to the Civil War. As the violence escalates, Ashby begins to fear for her life. Who is this angry spirit and why is his fury focused on her?
