Meet Meredith, the despotic, man-hating, yet successful CEO of Danforth Enterprises. Her employees work harder at avoiding her than they do most anything else. However, her long-suffering Personal Assistant, Penelope, simply cannot avoid her wrath.

Enter the enigmatic Damien Franks. Contracted by Penelope to renovate her boss' executive bathroom, Damien has other skills and Penelope knows what they are. Taking pity on Penelope, and finding the feisty CEO strangely attractive, albeit challenging, he sets out to tame the beast that is Miss Meredith Smythe. The renovation of Miss Smythe will require every skill, and all the patience that this accomplished Dominant possesses. But, with the help of a friend, and a few tools of the trade, Damien is confident that he can bring out the best in his new client—and save Penelope from even further humiliation and anguish. But can he?

Despite her resistance, Meredith finds herself increasingly unable to resist Damien as she is drawn further into his intricate web of dominance and submission. But is she ready to submit?

This is a story of dominance and submission, of power and control. It takes the reader into the murky but highly erotic world of BDSM.
