All the music from Einaudi's autobiographical fourth album. Includes the tracks with solo Cello. The composer writes: If someone asked me about this album, I would say it is a collection of songs linked together by a story. But unlike my other albums, it doesn't belong to a time in the past. It speaks about me now, my life, the things around me. My piano, which I have nicknamed Tagore, my children Jessica and Leo, the orange kilim carpet that brightens up the living room, the clouds sailing slowly across the sky, the sunlight coming through the window, the music I listen to, the books I read and those I don't read, my memories, my friends and the people I love.
