Can two damaged men build a future together from the shattered pieces of their lives? Gianni Dombruso's life was altered forever at the age of four, when his parents were murdered and he and his brothers went to live with their grandmother, the irrepressible Nana Dombruso. Now almost thirty, Gianni has spent his life bouncing from relationship to relationship, seeking but never finding the security and stability he so desperately craves. Alexzander Tillane was one of the biggest pop stars in the world when he walked away from it all in the middle of a concert in 2002. Almost destroyed by the pressure of fame, Zan retreated to a life of quiet solitude in an effort to heal. But the cure backfired, leaving him with more issues than answers. Zan knows he can't give Gianni the stability he's looking for, not with all his problems. He can't even imagine why the beautiful younger man would want to get involved with someone so damaged, but the heat between them can't be ignored. Giving in to it could be a huge mistake. Or maybe both men might end up right where they belong.
