Zebras sleeping in the shadows

where they're safely out of sight

dream themselves in gorgeous colors --

anythingbut black and white.

Shusha, shusha, little Jumbo,
will you ever sleep tonight?

Through the magic of an African night, Mother Elephant sings her restless baby to sleep, imagining in her song the dreams of ostriches, monkeys, rhinos, zebras, and others. Filled with whimsy and tenderness, this is a lullaby that will be memorized and cherished for years to come.
