Religion in the Ancient Greek City

Louise Bruit Zaidman, Pauline Schmitt Pantel

Religion in the Ancient Greek City Louise Bruit Zaidman, Pauline Schmitt Pantel

This book is an English translation of the French work *La Religion Grecque*. Its purpose is to consider how religious beliefs and cultic rituals were given expression in ancient Greece. The chapters cover first ritual and then myth, rooting the account in the practices of the classical city while also taking seriously the world of the imagination. For this edition the bibliography has been substantially revised to meet the needs of a mainly student, English-speaking readership. The book is enriched throughout by illustrations, and by quotations from original sources.
