Bee Carter is no longer torn between her handsome billionaire and her tattooed bad-boy biker. After enjoying mind-melting, world-tilting sex and experiencing the pleasure of waking in her man's arms, she has finally made her choice.

Or has she?

A violent early morning confrontation pits biker against billionaire and results in a shocking proposal: the discarded man is willing to overlook Bee's wild night with his rival in order to win her love. He will sacrifice his pride, his heart, and everything he holds dear to have her.

Bee is unmoved by the offer ... until the man she's chosen encourages her to accept.

Now Bee is yet again faced with an impossible decision: Does she pursue the man she craves, who has rejected her love, or does she settle for the man who will do anything for her?
