The Persistence of Memory: A Novel Tony Eprile

"Throws all its chips in the air like a dazzling Nabokovian trick."?Daphne Merkin, *Los Angeles Times Book Review*

In this humane yet savagely witty portrait of apartheid South Africa in its waning years, Tony Eprile renders his homeland's turbulent past with striking clarity. *The Baltimore Sun* declared Eprile's "horrifying yet heartrendingly beautiful" prose to be "comparable to his fellow authors of Apartheid Andre Brink and Nadine Gordimer." As the novel builds to a harrowing conclusion, the protagonist, a veteran of the secret war in Angola and Namibia, is forced to appear before the Truth and Reconciliation Committee with astonishing results. Nobel Prize-winning author J. M. Coetzee calls *The Persistence of Memory* "a story of coming to maturity in South Africa in the bad old days. Always warm-hearted, sometimes comic, ultimately damning." Reading group guide included.
