**The U.S. Air Service in World War I - Volume 1 The Final Report and a Tactical History** Maurer Maurer, Office of Air Force History

This volume is part of a series documenting the history of U.S. air activities in Europe during World War I. The narratives here are published by the Office of Air Force History so as to reach a wider circle of persons interested in the Great War and the early history of military aviation. Included in this volume is William C. Sherman's "tactical History" which provides excellent information about the conduct of combat operations.
