Reclaiming the "L" Word is a book about renewing congregations by recognizing and living out the core teachings of the Lutheran faith. In the introduction, the author states: "I hope that people of every denomination will find this book helpful as they wrestle with these important issues within their own traditions. But this little book is primarily written for those who call themselves Lutheran and, specifically, those who are members of ELCA congregations, and it is intended to help us answer central questions: Who are we? What DOES it mean to be a Lutheran today, anyway? And, why does it matter?" Inspirational, engaging, and challenging, this book is a must-read for pastors and congregational leaders!
